Dear Sir/Madam:

I am currently an assistant professor in the Department of Cellular and Developmental Biology at Harvard University. My research is in the area of T lymphocyte development and signal transduction. I am interested in information about your program of research grants supporting basic research. Could you send me an application for such a grant and information about the next deadline?

Thank you very much. If you need to reach me, my telephone number is (617) 496-8121 and our FAX number is (617) 495-9300.

Sincerely,

Leslie J. Berg
Asst. Prof. of Biology
